

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GENERAL ADJUSTMENT IN ELECTRIC	)	
AND GAS RATES OF LOUISVILLE GAS	)	CASE NO. 8924
AND ELECTRIC COMPANY	)	

O R D E R

On February 3, 1984, Olin Corporation ("Olin"), a member of Kentucky Industrial Utility Customers ("KIUC"), filed a motion to intervene and join the five other members of KIUC which are already intervenors in this proceeding. Those KIUC companies are Arco Metals Company, Division of Atlantic Richfield Company; E.I. duPont de Nemours and Company; Ford Motor Company; Kosmos Cement Company, Inc.; and Rohm and Haas Kentucky, Inc.

Olin's motion states that it will accept the proceedings in their present stage, will abide by all procedural Orders to date, and does not foresee its intervention causing any delay or burden to the Commission. Olin further moves that the names of both its counsel and consultant be added to the Commission's service list.

On February 7, 1984, the Louisville Gas and Electric Company ("LG&E") filed its response to Olin's motion to intervene. LG&E objects to the intervention on the ground that it is untimely.

Based on Olin's motion, LG&E's response, the evidence of record and being advised, the Commission is of the opinion and

hereby finds that no party to this proceeding will be prejudiced by granting Olin's motion to intervene and join the five members of KIUC which are already intervenors herein. The Commission further finds that adding the name of an intervenor's consultant to the Commission's service list would cause an unnecessary burden to the Commission and all parties hereto. It is the duty of intervenor's counsel to keep its consultant informed of Commission filings, notices and Orders.

IT IS THEREFORE ORDERED that Olin's motion to intervene and join the five members of KIUC already intervenors herein be and it hereby is granted and the name of KIUC's counsel shall appear on the service list on behalf of Olin.

IT IS FURTHER ORDERED that LG&E's objection to Olin's motion be and it hereby is overruled.

Done at Frankfort, Kentucky, this 9th day of February, 1984.
